Grayson,

I got your email, thank you for writing me, I want to say I wrote you last month (August). Perhaps it has been longer than that. Time is flying, so it is hard to tell. That, in here, is a great thing.

Your girlfriend is HOT! You will have to tell me more about her when I see y'all.

Speaking of women, I can't wait to be around them again. I finally accepted your assessment of the situation

I have not spoken to her in months! The situation - her and him - makes me nervous. I am cool with the end result. My self-confidence will take some time to rebuild, but it will get there. Being an ex-con is a new skin I will have to get used to. However, I am ~~to~~ doing everything I can to help package that new skin with a body in great shape. I am 170 pounds, ~~am~~ currently. Crazy, huh?

Hey, do you still have those light-weight NIKE'S? If so,

I would like to wear them again. If not, it is no big deal. If you have any clothes you want to get rid of then please give them to me. I need a new wardrobe and can use the help.

Thank you, also, for the money. I absolutely can use it. I can't wait to see you, Grayson. I love you, bro.

Love,

Damon

P.S. Do you wear boxer briefs? I would like to wear a pair out of here. Can you please help steer mom towards these? She can buy them at Wal Mart for all I care. I just am tired of wearing boxers after 7 years. My size is M (32-34).
~~What my shirt size~~

Thanks, Grayson.

Can you believe I am finally coming home? I have less than 60 days left in prison.
